Fabulous style in a fabulous location

The former techno capital of the world, Frankfurt, is reflected in the design of Avani Frankfurt City: vinyl records, LED screens and a vintage record player, among other things, create a nostalgic atmosphere.

Whether you're in town for business, leisure or both, Avani Frankfurt City Hotel puts you right in the middle of the action. We're only 10 minutes on foot from the banking district, Römerberg, the Main River, and the famed shopping of the Zeil. 12 city and underground lines run from our nearest train station Konstablerwache and the Messe Frankfurt trade fair is just four stops away. Getting here is a breeze, with direct commuter trains from Frankfurt Airport and Hauptbahnhof Railway Station. Stay in style and explore the real Frankfurt with insider access to the best of the best.

Our 256 modern rooms and suites are spread across seven floors. Each bursts with style and the latest in mod cons, including a power shower and coffee machine for perky mornings, and high-tech toys like Chromecast TV and Bluetooth speakers to wind down with at night. With various layouts to choose from, you'll find the perfect pad to chill in after a day of meetings or exploring the city.
