# Second Pulte Homes Townhome Community Set to Open in Growing City of Fishers

Pulte Homes announces the grand opening of Towns at The Station, a new-construction townhome community offering a vibrant, active lifestyle in the highly sought-after north Indianapolis city of Fishers, with a socially-distant grand opening celebration on Saturday, March 20.

Ideally nestled off of 116th Street and I-69, and adjacent to the master-planned Yard at Fishers District development, Towns at The Station is an amenity-rich community featuring three of Pulte Homes' Life Tested® designs, each with included upgrades and features packages to compliment the open-concept plans and elegant interior finishes.

"It was a year ago this week we held the groundbreaking for our other townhome community in Fishers, Towns at Avalon North, which has experience phenomenal success," said Scott Mairn, PulteGroup's Indianapolis Division President. "The community of Fishers is growing and with Towns at The Station, our residents will have

easy, walkable access to all of the wonderful restaurants, stores and venues located at the Yard at Fishers District."

Towns at The Station's three designs, the Jetwood, Isleton and Jayton, each new to the Indianapolis market, are approximately 2,350 sq. ft. with 3-4 bedrooms, 2.5-3.5 bathrooms and 2-car garages. The three-story townhomes offer both rear and middle kitchen locations with a flowing layout to large decks, creating the perfect environment for seamless indoor-to-outdoor entertaining. Other available features include finished game rooms, spacious owner's suites and large kitchens featuring ample storage, an oversized island and big pantry.

In addition to everything the Yard at Fishers District has to offer, residents of Towns at The Station will enjoy access to resort-style amenities, including a spinning studio and fitness center, pool and poolside grill, firepits, and a Bark Park.

Only 37 townhomes, spread across eight buildings, will be constructed. Pricing starts at $332,990.
Every Pulte home is designed with More Life Built In, with each inch meticulously planned to meet your family's needs, including more storage, smart home technology with superior Wi-Fi coverage, and flexible floor plans to allow for more work- or learn-from-home options.

Home buying while social distancing has never been easier with Pulte. Sales teams adhere to all social distancing and cleaning guidelines, and interested buyers are welcome to visit the Towns at The Station sales center at 9727 District North Drive, Fishers, IN 46037.
