

Discuss the future of blockchain, finance, and business at Hard Fork Summit

[Hard Fork Summit](#) by TNW is back for its second edition. For three days in October, digital leaders in finance, regulation, and blockchain will come together to do business and discuss a new era of fintech and decentralized business models.

Hosted in Amsterdam, The Netherlands, the program includes keynotes, panels, engaging roundtable discussions, and networking sessions during the day. In the evenings, the program is filled with decentralized events throughout the city, organized by companies and communities in the blockchain and fintech industry.

Some of the speakers confirmed for Hard Fork Summit 2019:

Dan Morgan, Head of Regulatory Relations in Europe, **Ripple**

Larry Sanger, co-founder, **Wikipedia**

Kavita Gupta, former Founding Managing Partner, **Consensys**

Marloes Pomp, Program Office Blockchain, **Dutch Government**

Miko Matsumura, co-founder, **Evercoin Exchange**

Sally Eaves, CTO and UN Social Impact Strategy Advisor, **Emergent Technology**

If you're involved in shaping new products or companies at the intersection of finance and technology, join [Hard Fork Summit](#) in Amsterdam on October 15-17.
