About The Global Boardroom - Inaugural edition

The coronavirus pandemic is causing massive disruption to economies, businesses and markets across the world.

Political, business and finance leaders are coming under scrutiny as they balance economic recovery goals, operational survival and future resilience against the need to save lives and act responsibly.

What is the exit strategy?

How quickly will the global economy emerge from hibernation?

What price will the world ultimately pay?

Watch on demand sessions from three days of live recorded online conversations from 12-14 May 2020 with the most senior global decision makers and leading minds in policy, business and finance.
