TNW hosts: Start-up Games – the online pitch event by Digital Hub Initiative

After a successful first edition of the Start-up Games, TNW and the Digital Hub initiative are going into the second round with a new digital event. With the Start-up Games Volume 2, the best startups and innovations from the initiative and its network will come together at one digital pitch event.

10 startups from the Digital Hub in Germany will be given the opportunity to pitch their ideas to an international audience of potential investors. Founders will take the stage, presenting their brilliant ideas, and get the chance to be matched with suitable investors from around the globe.

This year's jury features Jenny Dreier (EQT Ventures), Stephen Nundy (Lakestar), Madeline Lawrence (Peak Capital), Alex Niehenke (Scale Venture Partners) and Wendy Xiao Schadeck (Northzone).
