TNW Hosts Hangout with VCs

Startup-investor matchmaking event with ITIDA, Egypt

After a successful first event connecting Porto and Amsterdam-based startups with international VC's, TNW will leverage their knowledge of the global startup ecosystem and wide network to spotlight investment opportunities in Egypt. The event will be held in partnership with the Technology Innovation and Entrepreneurship Center (TIEC) of the government of Egypt's IT Industry Development Agency (**ITIDA**).

On April 8th, 2021, TNW will host the Egypt edition of Hangout with VC's to bring together top global investors and ready-to-fund Egyptian startups in an online format combining content with pitching and meetings. The investors have been invited by TNW, and the startups hand-selected in collaboration with ITIDA—ensuring the highest possibility of a successful match at this invite-only event.
