

How to make a stellar coffee?

Well, that's what I was asking myself as well. About a month ago I was getting my daily shot of caffeine and I bumped into [Sebastiaan Hooft](#). Sebastiaan founded Amsterdam Coffee Roasters about 2 years ago and his hobby got out of hand. I invited him to come to TNW HQ and tell us about coffee, his passion and afterwards he'll teach us how to make the ultimate espresso on our brand new old Faema e61!
