# SoundCloud Announces Its Latest DJ Software Integration with Native Instruments

**May 28, 2019, New York, NY** -- [SoundCloud](#), the world's largest open audio platform, announced today its DJ software integration with industry leader, Native Instruments, is now live in their new iPad and desktop app, TRAKTOR DJ 2. Created for DJs of all levels, the new TRAKTOR DJ 2 seamlessly connects to SoundCloud, enabling creators to instantly stream and mix SoundCloud's massive catalog of more than 200 million tracks from over 20 million creators around the world.

To celebrate the launch, a series of playlists reproducing real setlists by top DJs Joe Kay, Tommy Four Seven, Objekt, Felix Da Housecat, Kornel Kovacs, and more, are available exclusively on Native Instruments' SoundCloud profile. DJs at any level can utilize these artist-curated mixes to jump right into mixing sets using SoundCloud and TRAKTOR DJ 2, or to practice their tempo matching, song selection and style techniques.

## **To get started building mixes with TRAKTOR DJ 2 and SoundCloud:**

- Download the TRAKTOR DJ 2 app from the iOS App Store (iPad) or Native Instruments' website (desktop) for free
- Enable SoundCloud within TRAKTOR DJ 2 using a SoundCloud Go+ username and password
- Access saved SoundCloud playlists to mix and stream live from the largest audio catalog ever assembled

## **Don't have a SoundCloud Go+ subscription?**

- Purchase a standalone SoundCloud Go+ subscription for \$9.99/month. Visit [soundcloud.com/go](https://soundcloud.com/go) for details.
- If you're a college or university student, visit [checkout.soundcloud.com/student](https://checkout.soundcloud.com/student) on web to purchase SoundCloud Go+ at the discounted price of \$4.99/month.
- **Best value for DJs:** Purchase SoundCloud Pro Unlimited, SoundCloud's premium creator subscription, and DJs can add a SoundCloud Go+ subscription for just \$4.99, giving them the leading hosting tools for DJs and the world's largest streaming catalog for a bundled price of \$16.99/month. To take advantage of this offer and learn more, DJs can visit [creators.soundcloud.com/dj](https://creators.soundcloud.com/dj).

Native Instruments adds to SoundCloud's growing list of DJ software integrations with Serato, Virtual DJ, DEX 3 and Pioneer DJ. Additional DJ software integrations will roll out later this year.
