

October 10th a new Toogethr will be launched!

October 10th 2016 is a big day for everyone who has a daily commute. A totally renewed version of Toogethr will be launched. Keep checking this site regularly for updates. We'll keep you posted!

OVER TOOGETHR, THE RIDESHARING APP

Toogethr is a platform that makes it easy to share a ride together. It's focussed on the daily commute and want to make it a more pleasant and rewarding activity. By rewarding the driver, the passenger and the company we've created a fair platform that all parties involved can benefit from.
