**Details** "We grew up watching MTV for hours on end, so it's a huge honour to be visiting the ISLE OF MTV! We have been taking a break from performing recently to work on our new album. The first single came out last week - so happy to be sharing stuff again, and especially with you guys! MTV 4eva!!!" - **Clean Bandit.**

Having outsold One Direction with global sales in 2014, the all producing, songwriting, performing and self-directing group have enjoyed a couple of ground breaking years. With an extensive catalogue of hit singles, including the infectious three times platinum 'Rather Be' featuring **JESS GLYNNE**. The track sold over 10 million copies worldwide and accumulated half a billion hits on YouTube - the band's genre-defying sound was a mainstream success. Released off their 2014 debut album 'New Eyes' – the musically diverse compilation charted at Number Three in the UK and spawned four UK Top Five singles. To date, the band - Jack Patterson, Luke Patterson, Grace Chatto and Neil Amin Smith have sold over 12 million singles and 1.6 million albums worldwide! Their current single 'Tears' featuring Louisa Johnson is out NOW.

Maltese Rock band **AIRPORT IMPRESSIONS** will also perform in front of the tens of thousands of screaming fans at this year's show. The band, already a household name in their home territory, is currently conquering Europe, receiving multiple reviews of praise and radio plays across the UK. Find out more on what the band is getting up to this summer here.

For the first time ever, fans will be able to experience the entire Isle of MTV show **LIVE** on [www.isleofmtv.com](http://www.isleofmtv.com) and interact with the stream by posting to social with **#IsleofMTV**. A partnership with social messaging app Snapchat will make Isle of MTV a globally viewable Snapchat Live Story. MTV's Snapchat Discover channel will feature a wide range of content from Malta in the lead up to the show including articles, videos and exclusive interviews with the performers. Fans will also be able to enjoy and interact with the show via

Facebook Live links from the event, streaming a host of backstage and fan content.
