New Artist Moody Bank\$ discusses the Blueprint Behind Hit Song, Strawberry Amnesia

Strawberry Amnesia Available Now on All Major Platforms

(Los Angeles, CA) January 15, 2021 -- Moody Bank\$ delivers a fresh break from the everyday sounds of modern R&B with her hit single, “Strawberry Amnesia”. The track is off her latest EP, Full Blunts and Full Moons.

“Strawberry Amnesia” is the perfect introduction to Moody Bank\$’s genre-bending sounds and smokey unique vocals. Not only is “Strawberry Amnesia” sonically captivating, but the meaning behind the song is also interesting enough to make you want to understand the story.

Although “Strawberry Amnesia” didn’t start out like this, the track quickly began to share a mood of hurt and confusion. Starting with the hook, “I run, run, run, running all I do / Don’t know a thing about love”. Moody explains, “when my friend, who just had her wedding called off by her ex-fiance, heard the beginnings of the song she understood the mood. At that moment, her story sort of became the attention of the song.”

Moody wants her listeners to know that we are more alike than we know, and sometimes heartbreak can bring us closer together in ways we may not have imagined. She believes music is a form of self-expression and self-realization when we cannot find the words for ourselves, sometimes it’s easier to let the music speak for us.

Moody Bank\$ is a brand new artist located in Austin, TX who is breaking the rules when it comes to R&B and what that exact sound means. Moody released her debut EP, Full Blunts and Full Moons, in late October and is available on all streaming platforms now.
