**(Los Angeles, CA) January 21, 2021 --** Australian rap/hip-hop artist Jaden Miguel releases new EP, Disguised Memories.

Disguised Memories, the 5-track EP showcases Jaden's lower and higher energy sides. He portrays the concepts he creates and is transparent with his storytelling.

The lower energy displayed in Disguised Memories comes from a place of frustration, mystery, and carelessness. He opens up about the struggles he doesn't usually showcase in his daily life.

Jaden was discovered by American rapper, The Game, and had the opportunity to collaborate with him on Disguised Memories. Jaden was excited and honored to work with The Game, saying, "It was the best part about this project, he is literally one of my favourite artists of all time. He was an idol for me growing up and the fact that I have him as a feature on my first ever EP literally has star struck me!"
