**(Los Angeles, California) March 9, 2021** -- Following the release of her recent pop single, “Watchu Tryna Do?”, GiGi Vega releases the music video for the hit single.

“Watchu Tryna Do?”, written by GiGi Vega, was a song adapted for COVID. I wrote the song”, says GiGi, “pre-COVID 19, and didn’t decide to put it out until I changed the words to be more fitting for what we all are going through. The original lyrics will be released when we’re on the other side of this pandemic.”

Filmed under strict COVID restrictions, GiGi had a specific vision for the “Watchu Tryna Do?” music video. Under strict COVID restrictions, producer Julio Mata Jr. and director Carlos Dupouy helped her do it. Staying on brand with the song’s fun, upbeat melody the music video presents a positive spin on loneliness even in a pandemic.
