Out Da Gate Available Now on All Streaming Platforms

(Los Angeles, CA) March 24, 2021 -- Blac Lou Caine drops newest hip-hop/rap album, *Out Da Gate*, ft. 320swoo.

With 9 tracks, Out Da Gate's overall sound is a mix of both old school and new school. "Intro", appropriately named for the first track on the album, sets the overall tone of the project by using the "Boyz In Da Hood" theme as a baseline for the track.

Throughout the Out Da Gate, Blac Lou Caine encourages listeners to stay motivated during tough times, opens up about financial obstacles, and shares his experience making it out and becoming a successful rapper.

When asked about the album, Blac Lou Caine said, "when people hear this album I want them to feel what I felt on every track. 320swoo and I delivered, no fabrication over here....only real life situations and manifestations."

Out Da Gate is available now on [Spotify](#) and all other major platforms. Visit Blac Lou Caine's [website](#) and [Instagram](#) page for more information and upcoming projects.
