Snowtown Presents Latest Alternative Track “More Time”

More Time Available Now on All Major Platforms

(Los Angeles, CA) April 16, 2021 -- Snowtown, a popular alternative band, showcases its latest single, “More Time”.

“More Time” was written recently as Snowtown reflected on the fact that even though they are young, time is fleeting. Snowtown hopes to create support and encourage listeners to make the most out of the time they are given on earth.

The message of “More Time” is no different than any other Snowtown song, as it lets listeners know they are not alone. “I want people to know we all feel horrible at times, even if people try to hide it. You can get through whatever it is you're going through.”

Having just turned twenty, Snowtown (Jesse Garcia) fears the future, wishing he had more time to come to terms with his own mortality. No longer a teen, he has to face reality and the stresses that come with it.

“More Time” is available now on [Spotify](#) and all other major platforms. To stay up to date on the latest projects from Snowtown, follow them on [Instagram](#).
