*“When We’re Older” Available Now on All Major Platforms*

**(Los Angeles, CA) April 28, 2021 --** Singer, songwriter, and producer Agatha Chelsea releases her newest single “When We’re Older”, off her upcoming EP “Love Letters”.

“When We’re Older” is a smooth, soulful R&B tune inspiring listeners to be more open about their own growth and maturity just as Chelsea has.

With Chelsea’s past releases that share about past teenage love; “When We’re Older” shares a story of reflecting on mature love experience and going through personal change with going separate ways from a past love.

Before the release of “When We’re Older” Chelsea had released seven singles fully supported by her fan base of over one million. She looks forward to releasing more projects this year including her 5-track EP “Love Letters” and music video coming soon, following the release of “When We’re Older”.

“Good To Me” another song and music video will be released from the EP on May 21st. “Good To Me” tells the story of being in love and having that light, flowery feeling. With a touch of R&B “Good To Me” is the perfect edgy pop song.
