Gold Souls releases an energetic track, "Know Your Kind"

(Los Angeles, CA) September 20th, 2021 – Talented brothers Dré (Vocals) & Ry (Drums) Tempfer, along with guitarist Danny Goldfarb releases "**Know Your Kind**." The energetic pop-punk track is catchy, feisty, and perfect for daytime headbangs and motivating gym playlists. Packed with soaring energy, the single will magnetize and excite fans.

"**Know Your Kind**" is a provoking single about a comforting yet unsupportive relationship. Listeners gravitate to a story of an unsatisfying leech-like romance where one partner does not share the same vision as the other. Thus, resulting in one partner leaving to confront the world on their own.

Gold Souls consists of two brothers Dré (Vocals) & Ry (Drums) Tempfer, who have played music with guitarist Danny Goldfarb since 2014. The band is poised to bring hypnotic energy back to rock music by a deep-rooted understanding of the music genre.
