in\error releases a dark and emotional EP titled "Death By Design."

in\error sets the music industry on fire with their dark and intense EP, "Death By Design."

(Los Angeles, CA) December 10th, 2021 – Salt Lake City-based band **in\error**'s latest EP, "**Death By Design**," is available on major platforms. Dark, moody, and emotional, the album features songs about people's unpleasant and intense life experiences and was produced by *Clayton Blue* at *Bamboo Audio* in Salt Lake City, Utah. Known lyrically and sonically for bringing a fierce and emotional vibe, "**Death By Design**" features songs that dive into topics such as depression, anger, anxiety, and heartbreak. Infusing listeners with deep lyrics and dark sounds, their latest is sure to leave a lasting impression.

Known for having heavier projects with heavier vocals, in\error lead vocalist *Jesse McGivney* started a new project in 2017 named *Runaway*. He released a few singles under Runaway, his first project with mainly clean vocals. Later, he met guitarists *Dawson Llewellyn* and *Neil Finch*, who joined the project in 2020. After writing darker material with an intense and emotional vibe, the band changed their aesthetic and name to **in\error** and released their debut track/music video "*Caving*" on New Year's Eve 2021, followed by singles, "*Give It Up*" and "*Spiraling*."

"**Death by Design**" is available on major platforms, including [Spotify](#) and [YouTube](#). For more information about **in\error**, watch the interview done by [Disc Review](#).
