

Tiqets reaches Trustpilot milestone – 10,000 reviews\

On 19 April 2018 Tiqets reached over 10,000 reviews on Trustpilot, one of the world's largest online review communities – and maintains a rating of 9.4 out of 10 and 5 stars

With a review reading “the application was very useful and very user friendly”, Tiqets reached 10,000 reviews on Trustpilot. That in itself is quite an achievement for us, but most importantly, those 10,000 reviews have an average score of 9.4 and 5 stars. That makes Tiqets the best-rated online platform for tickets for museum and attractions.

Our mission is to make culture more accessible by helping people discover and embrace cultural experiences and offering great customer service. Having the most and best reviews by customers shows that Tiqets is succeeding in its mission.

Here’s how we compare to other platforms like Viator, Musement or Get Your Guide.
