*What better way to experience Madame Tussauds than with a concert surrounded by pop music's biggest contributors? Or, what better way to take in the Baroque paintings at The Queen's Gallery than with a classical concert? We're super excited to be teaming up with Sofar Sounds to bring culture to life in a unique way and to bring a new audience to some of London's top attractions!"*

— Alexis Peppis, Tiqets Regional Manager for the UK.

As is tradition with Sofar Sounds events, the artists won't be announced in advance. All concerts will feature three artists who will perform a 25-30 minute set each. Only when attendees arrive at the event will they find out who's performing!

Tickets for the concerts can be booked online through the [Sofar Sounds website](#).

With tickets set to sell out fast, Tiqets is giving everyone an extra shot to attend one of these once-in-a-lifetime concerts by giving away a limited number of free tickets! The contest is open from today until 21 September, and entrants can choose the concert they'd like to attend. The winners will each receive a set of two tickets.
