Recap Day 11 @ Mercedes-Benz FashionWeek Amsterdam

14 JULI 2015, AMSTERDAM

## SAMENVATTING

*The last day of Mercedes-Benz FashionWeek Amsterdam was characterised by a versatility of shows, including the 'Catwalk Exchange' show by fashion designer María Clè Leal attended by Doutzen Kroes.*

**T**he collection by **ALEXANDRA FRIDA** hosted by the Vodafone Fashion LAB PRO, reflected her passion and love for adventure in comfortable, sensual and feminine designs.

The show by **ARREY** in the Gashouder expressed exclusivity, confidence and liberation. The outstanding craftsmanship and the refined technical usage of fabrics blew the audience away.

**Franzel Amsterdam** gave a new meaning to menswear demonstrating Eric Franzel's vision of the modern man.

Playful shapes and silhouettes prevailed on the catwalk during the **Mercedes-Benz FashionWeek presents María Clè Leal** Catwalk Exchange Show. The Spanish designer came all the way from Madrid to present her work that amazed the audience, proving that fashion doesn't have borders.

Fun and colour filled **Oilily's** catwalk show, displaying an uplifting collection complementing the summer nights by creating an exciting synergy.

Mercedes-Benz FashionWeek Amsterdam closed spectacularly by the **Elite Model Look presents Future Generation**, where three upcoming designers presented their collections on the catwalk.
