Our transition to a remote company— one year and counting

In July 2020, we decided to cancel the lease on our Amsterdam office and transition into a fully remote company.

It has been an exciting, rewarding journey. Some colleagues moved to live closer to family— for one that's Eindhoven, for another that's Ecuador. Another colleague pursued a dream and now lives in a Portuguese coastal town. Over the last month, many companies asked us for advice and experience regarding our organizational transition.

Sjors, pr.co's Commercial Director, sat down with [Femke De Wild](#) from [Centralpoint](#) to chat about what it's like to work from Portugal and the perks and challenges of working with a fully remote team.

The podcast is in Dutch— you can listen to it here: 🗣️

If you are a non-Dutch speakers and are curious about remote work, please don't hesitate to contact Sjors.
