### ABOUT WORLD JEWISH HERITAGE

**The World Jewish Heritage Fund, Inc.** is a non-profit organization established in 2011.

Our mission is to preserve Jewish heritage worldwide and promote tourism to a variety of sites and cultural events around the world that are of great importance to the Jewish heritage continuity. We are here to stand up for our heritage, giving it back its long-lost voice, in honor of past generations, and in favor of those to come.
