

Samsung's New Galaxy S9 and S9+ are now available on SOUQ.com

March 2018, Dubai, UAE: Samsung's much anticipated Galaxy S9 and S9+ smartphones are now available on SOUQ.com for UAE customers. SOUQ.com is also providing customers with an exciting trade-in offer for their old phones. Shoppers who had pre-ordered will receive their devices with complimentary AKG Headphone worth AED 699. The new Samsung Galaxy S9 and S9+ is now being shipped for customers awaiting its arrival.

Ronaldo Mouchawar, SOUQ.com CEO & Co-Founder said: "At SOUQ.com, we strive to provide our customers added value and accessibility to top brands and products in advance, at the click of a button. Samsung's launch of the new Galaxy S9 and S9+ has created massive demand among our customer base, and we are pleased to offer them a chance to be the first to receive the latest smartphones."

Mr. Omar Abdelfattah, Head of mobile division, Samsung Electronics in KSA, said, "Saudi Arabia's market has experienced incredible growth among tech savvy smartphone users and their demand for easy access to a large variety of the latest technology. Collaborating with [SOUQ.com](https://www.souq.com) allows us to further grow our relationship with our current and potential consumers alike. We are pleased to offer them the ease and convenience to purchase through the leading online retailer in KSA."

The Samsung Galaxy S9 and S9+ has launched with a number of exceptional features, such as the **Infinity Display**, giving an almost edge-to-edge experience, and speakers giving a theatre-like audio experience. The Galaxy S9 and S9+ have rear cameras with **Dual-Aperture** settings, which provides an amazing photography experience in low-light settings. In addition, the **AR Emoji** feature allows you to create animated depictions of your own face. Finally, Samsung's digital voice assistant, Bixby, is now more intelligent than ever and can even translate languages directly on the phone screen.

The Samsung Galaxy S9 and S9+ smartphones will be available with three storage configurations at the following prices:
