

## Belgian Startups are ready to pitch at TNW

*Six tech entrepreneurs will take part in the boost competition on April 23rd and 24th.*

The Belgian startups You know watt, TSJING, Teamleader, Sentiance, Assisto and The Learnscape made it to the pitching competition and they will be among the 75 companies on stage at The Next Web Conference Europe.

Brought to Amsterdam as part of Belgian non-profit organization Startups.be's delegation, these early-stage startups will take over the stage on April 23rd and 24th:

- You know watt:** Thursday 23rd -09:40 to 10:30- Green Room - Boost Block I
- TSJING:** Thursday – 12:00 to 12:50 - Green Room – in Boost Block III
- TEAMLEADER:** Thursday 23rd - 12:50 to 13:40- Green Room - in Boost Block IV
- Sentiance:** Friday 24th - 10:10 to 11:00 - Green Room - in Boost Block VII
- Assisto:** Friday 24th – 11:00 to 11:50 - Green Room – in boost VIII
- The Learnscape:** Friday 24th - 13:20 to 14:10 - Green Room -In Boost Block X

Moreover, some of these companies will disclose their most innovative products. Sentiance will introduce its Context Suite while The Learn Scape will officially launch its successful platform Scool.

The entire delegation, which also includes Mychannls and Earnieland, will showcase their services at booth 11.

So if you are around and willing to see some of the most talented entrepreneurs from the Belgian tech sphere, drop by and listen to some amazing pitches!
