

FFWD

FFWD SHOP DISPLAY

This is our display for use in shops. A simple yet effective approach to show the brand and highlight specific models as it offers room for two wheels.

The cardboard construction is easy to ship as it comes in a flat box. With the clear instructions anyone can put it together without tools. It is light and doesn't take up much floor space so easy to place where you like.

This display has a value of 125 Euro.
