April 24th (Dallas, TX) – On a perfect 78 degree spring day in Dallas, Brook Hollow Golf Club was the site of our first of 8 events this year. Host golf professional and PAB staff member, **Simon Buckle** provided a perfect venue and a tough but fair test of golf. This classic Tillinghast design provided a lot of excitement prompting two separate playoffs to determine our champion and the final qualifier for the TaylorMade National Championship next March at Pebble Beach Golf Links.

Congratulations to **Billy Harris**, head golf professional at Dallas Country Club who survived a 3-man playoff making a 30' putt for birdie on the tough par 3 10th hole. Tied for 1st also with scores of 71 were **Darren Black** (Rainer Golf & CC, Seattle, WA) and **Rich Barcelo** (Bluejack National GC, Montgomery, TX). The 4th and final spot was captured by **Jon Antunes** (Heart of Texas Golf Academy, Waco TX) over **Ben Willman** (Axis Golf Academy, Montgomery, TX) via playoff after both players tied with 72.

We look forward to seeing many of you at our next TP Classic. Please contact your TaylorMade sales representative for more information.
