

Alberta Nationals Mountain Bike Race Association partners with StayBilley for XCO Canadian Championships

CAMBRIDGE, ON (March 20, 2017) – [StayBilley](#) and the [Alberta Nationals Mountain Bike Race Association](#) are pleased to announce their affiliate partnership effective today.

With this agreement, StayBilley becomes the **Official Online Accommodation Service** of the XCO Canadian Championships taking place in Canmore, AB, July 20-23, 2017.

“There is a huge demand for accommodations in Canmore, especially in 2017,” said XCO Canadian Championships organizing committee chair Ron Sadesky, “StayBilley is a perfect option for bikers looking for a place to stay at a reasonable price. We hope Canmore-area residents will welcome these competitors into their homes by listing their extra rooms, and earn some extra money, through StayBilley.com.”

StayBilley is a great option for local sports-enthusiasts who want to meet and help out mountain bikers from out-of-town. Canmore-area StayBilley Hosts will benefit financially and meet participants from across Canada and around the world. Competitors can search for local listings supporting the XCO Nationals and book accommodations, or post a housing REQUEST to help them connect with potential Canmore-area Hosts.

“We’re excited to be supporting the XCO Nationals,” said Barbara Jones, Founder/CEO of StayBilley. “The organizers have really demonstrated their understanding of how our partnership can both serve and strengthen the Canmore and mountain biking communities, and support the Championships. We look forward to helping Canmore-area residents register on the site, and to connecting them with visiting participants and fans.”
