

Reinforcing its leadership through continued retail expansion in Guam's most dynamic destinations.

Tamuning, Guam (June 1st, 2026) — DOCOMO PACIFIC today announced that it has officially signed a new retail location at Don Don Donki, with the store set to open this summer. This strategic expansion reinforces the company's commitment to enhancing customer experience, accessibility, and convenience in one of Guam's most vibrant and high-traffic destinations.

As DOCOMO PACIFIC continues to grow its retail footprint, the company looks forward to joining a dynamic mix of businesses at the Village of Donki. This milestone marks DOCOMO PACIFIC as the first major telecommunications provider to establish a presence within the development, offering greater access and connectivity to customers who live, work, and visit the area. Don Don Donki Guam also holds the distinction of being the first Don Don Donki location in the United States, further elevating the significance of this.

"This is an exciting new step in our journey—one that we are proud to share with our community and the customers we serve. Through their continued support and loyalty, we are honored to bring a new and enhanced retail experience through this partnership with Don Don Donki. This further solidifies our commitment to opportunity, convenience, and access, with our Better Together spirit always in mind."

Christine Baleto, President & CEO, DOCOMO PACIFIC

Additional details on the over 2,000-square-foot retail space will be shared in the coming months. DOCOMO PACIFIC remains committed to delivering on its vision of *Tomorrow's Islands, Today*, continuing to invest in innovations and experiences that bring communities closer together.

About DOCOMO PACIFIC

DOCOMO PACIFIC is your locally rooted quad-play provider in the Marianas. As a wholly owned subsidiary of NTT DOCOMO, Japan's leading mobile network operator, we proudly invest in Guam and the CNMI—powering homes and businesses with 5 GIG symmetrical fiber internet, 5G LTE, telephone services, and the dTV+ entertainment app.

Our enterprise solutions include Information Technology and Managed Services, FirstNet, MaxTrack Fleet Tracking, and a range of carrier services. Together, we are driven by community, focused on growth, and committed to being by your side.

We are dedicated to bringing you *Tomorrow's Islands, Today*.
