DOCOMO PACIFIC plants the finishing touches on beautifying Saipan's largest and most utilized pavilion

Gualo Rai, Saipan (June 29, 2020) – DOCOMO PACIFIC, regional leader in innovation, telecommunications, & entertainment, plants the finishing touches on beautifying Minachom Atdao, Saipan's largest and most utilized pavilion.

DOCOMO PACIFIC adopted the Minachom Atdao pavilion in April of this year. Shortly after, the island went into COVID-19 lockdown and the team was unable to complete the project. With lockdown restrictions slowly lifting and the generous greenery and flower donations from Tropical Garden (a local company), our DOCOMO PACIFIC team was able to fully complete the beautification project; resulting in a lively space for the community to enjoy.

We are committed to providing a safe and comfortable space for our people to use and be proud of, but most especially, doing our part in keeping our Better Together promise.
