DOCOMO PACIFIC first to offer Apple Business Manager and Apple School Manager for Guam and CNMI

Tamuning, Guam (February 23, 2021) – DOCOMO PACIFIC, regional leader in innovation, telecommunications, & entertainment, is the first telecommunications provider certified to offer Apple Business Manager and Apple School Manager eligible devices on Guam and the CNMI.

DOCOMO PACIFIC continues to provide customers with a diverse line of solutions to help your business grow. During this new norm, both business and education are being conducted remotely from home. Apple Business Manager and Apple School Manager enable you to streamline how you deploy Apple devices to your organization.

Apple Business Manager:

Enables businesses to automatically enroll corporate-owned iOS and macOS devices.

Key Benefits:

- Improves security by loading enterprise protocols, applications, and configurations upon device activation
- Streamlines setup and bulk deployment of corporate-owned devices
- Automates enrollment and configuration of devices which helps reduce time and cost for users and IT administrators

Apple School Manager:

Enables school IT administrators to provide over the air supervision of iOS, macOS, and tvOS devices.

Key Benefits:

- Gives schools control of student information and the option to enable and disable access to apps and services
- Streamlines setup and bulk deployment of school-issued devices
- Automates enrollment and configuration of devices which helps reduce time and cost for users and IT administrators

To get started with Apple Business Manager or Apple School Manager:

1. Enroll in Apple Business Manager or Apple School Manager on the Apple portal.
2. Purchase an Apple device from DOCOMO PACIFIC and we will notify Apple to enroll the new device in either Apple Business Manager or Apple School Manager
