

# ELEMNT MINI

connected bike computer

Simple Cycling Essentials – the ELEMNT MINI is the perfect sensor based bike computer from the company that has reinvented the way you interact with your bike computer. Provides accurate speed, distance and time as a standalone computer or pair with your phone for enhanced features such as GPS tracking.

## MAIN FEATURES

### SIMPLE TO SET UP

Uses the intuitive interface of your smart phone to streamline the set-up process via the companion app.

### SIMPLE TO CONNECT

Pairs with Wahoo sensors and your phone to track all of your ride data.

### SIMPLE TO STAY CONNECTED

Receives pop-up call and text notifications while riding and automatically syncs your finished rides to your authorized accounts including Strava.
