PEdALED LAUNCHES THEIR SECOND COLLECTION DEDICATED TO FEMALE CYCLISTS

Amsterdam, April 2019- PEdALED introduces their second collection dedicated to female cyclists only. The collection was created while working closely with different riders all over the world. From Pro cyclists to hobbyists. The Women collection is designed to bring a new level of experience while riding a bike. The collection consists of the essential Kawa Jersey, 3/4 Bibshorts and Yurei Regular Socks.

KAWA JERSEY

The Kawa Jersey is the essential jersey for every kind of ride. The jersey is ideal for long trainings as well as easy rides through the city. It will keep you cool and dry during spring and summer rides thanks to its unique fabric and simple design.

The goal with the Kawa is to provide every kind of rider with the best feeling while being on their bike. Kawa is the new standard for everyday rides and long training sessions. Thanks to the innovative and highly breathable Sensitive® fabric it provides a relaxed and stretchy fit. The Jersey is equipped with three big cargo rear pockets and a side zip-pocket for valuables. It guarantees enough storage during long spring and summer rides and the reflective front and rear logo completes the look of the Jersey.
