**ALL-COMMUTE OVERCOAT**

**Amsterdam, May 2019** - senscommon's products are designed to enhance urban living. The all-commute overcoat is a durable, all-season, wind and water proof outer layer for those who never stop - an elegant lifestyle essential fitting all forms of urban commuting including cycling. This piece of outerwear comes from where the rigours of daily life meet textile technology and the garment construction influences the total look.

Product details:

- Wind & water proof yet breathable
- Seated position adapted
- Snaps around legs protectively
- Clear peripheral vision hood
- Forward fitted sleeves
- Ultralight, packable in a flat, A4 pouch
- Entirely seam-taped
- Teflon coated, dirt repellent
- 57% Nylon 43% PE
- Made in Europe

The all-commute overcoat, German Design Award 2019 winner, previously shortlisted in the Muji Design Award and ISPO Brandnew competition, has proven to be unbeatably the most comfortable and lower body protecting raincoat there is, discreetly adapted to all your needs while on commute.

Main innovative features

The all-commute overcoat is an easy to wear garment that can be placed over all your jackets and coats. By pushing the buttons at the hem of the coat, it will snap around your legs. This will protect you from head to knees. The coat is adjustable, fits easily and is for all sexes. The overcoat can be worn throughout the year, is made of light weight materials and assures you comfort. The overcoat isn't just ideal for your daily commute, it has become the must-have item while traveling, during the festivals season or for a forrest walk.

Continuously available on [senscommon.com](https://senscommon.com) and at selected retailers in Europe, this product is part of a growing range of coats and bags for the discerning, modern commuter by senscommon.

### **About senscommon**

senscommon is an Amsterdam based, innovative, lifestyle design studio focusing to enhance daily life products by the use of smarter materials. In the era of produce overload, senscommon aims to change why and how new clothing is designed, produced and consumed. The brand releases contemporary, urban lifestyle solutions for the discerning, mobile professionals. senscommon is for the rest-less-travel-minded-go-everywhere individuals who explore far and wide, demanding the wellbeing to get ahead of the rest. Laura Šilinska, founder and designer of senscommon, uses haute-couture design knowledge gleaned from a past in Paris. Having worked for Alexis Mabille and Viktor&Rolf prior to starting her brand, Laura blends her nerdy passion for textile technology, innovation and utilitarianism with couture principles of shape building and luxury finishings.
