

The Twotone gifting guide - the best presents for any cyclist

Avoid any and all last-minute gift stress with these amazing products

We're on the verge of the holiday season and that means one thing; gifts. This can always get tricky, especially if your spouse or loved one is a cyclist and you have no idea what to get him or her. Luckily our clients make a ton of great products that will make cyclists of any level (very) happy. Below we've made a summary of this season most wanted products.

Under €100

Cycles Berthoud CNC machined bar ends with leather trim (€28)

These handlebar plugs are made of a silver (black) anodised alloy CNC-machined body, leather ring, brass washer and stainless steel screw. They come in multiple colours and will be the cherry on the cake for any bike. Plus a perfect complement to Berthoud their leather bar tape, mudflap and of course their saddles.

[Product page](#)

SILCA Nastro Piloti Bar Tape (€45)

New bar tape is always refreshing on any bike. SILCA their NASTRO PILOTI is a 1.85mm thick tape which provides cushioning equivalent to 2.5mm thick tapes. The Asymmetric texture inspired by F1 tire technology allows the tape to be wrapped in either a moderate texture or high texture format depending on preference.

Cycles Berthoud CNC machined bar end mirror (€78)

Discreet and elegant, this mirror has a subtle look and will prove to be essential to your safety on the road.

Just like their other products, it's designed and manufactured in France from hi quality materials. CNC machined and anodized aluminum, as well as a hand tinted vegetable-tanned leather washer.

Pelago Commuter Front Rack (€99)

The Pelago Commuter Front Rack is a classic porteur-style rack, that works great for anything from daily commuting to longer tours. You can easily carry anything. From school books, to sports gear, camping equipment or even a late night pizza. The rack also has additional attachment points for panniers.

Between €100 - €200

Pelago Merino Sweater (€125)

This quality cycling-ready sweaters made of 100% merino wool. Naturally breathable fibres provide great insulation from cold weather, yet are still feel comfortable in warmer weather and indoors. It comes in various colours and tailored cuts for men and women. Plus the back pocket is large enough to fit a phone.

SILCA Maratona Gearbag (€195)

The Maratona Gear Bag was designed as a cycling specific travel bag for weekend riding trips and races, yet is versatile enough to be used as a general travel bag. Our designers gathered feedback from both professional and amateur riders to create a gear bag that addresses the common pain points of traveling with cycling gear.

[Product page](#)

Berthoud Aspin Leather Saddle (€199)

The Berthoud Aspin touring saddle is manufactured in house from thick natural vegetable tanned leather. This beautiful saddle is pre-softened to shorten the break-in period. The bolt assemblies at the rear of the saddle are situated behind the area on which the cyclist sits, so risk free of damaging cycling shorts or skin!

Between €200 - €500

Berthoud Handlebar Bag GB25 black (€205)

Cycles Berthoud their icon. A made-in-France handlebar bag which attaches to the handlebars with two leather straps or, better, with a "décaleur". The lid opens on the handlebar side and all the pockets are closed by a hook and elastic string, both features making using the bag while riding easier.

[Product page](#)

SILCA SuperPista Digital pump (€275)

This third generation SILCA SuperPista combines all of the handcrafted elements which have made SuperPista the go-to pump of the ProTour for over 30 years, with SILCA's two most requested features: a high accuracy digital gauge, and gauge readout located at the top of the barrel for easier reading.

[Product page](#)

Pelago Kiddo Bike (€295)

The Pelago Kiddo was born out of the idea to cherish cycling as a pure form of transport, starting from your first proper bike. Learning to ride is a unique experience that may become one of the most memorable moments in life and stay with you forever. Available in two colour options; black and green.

[Product page](#)

Wahoo ELEMNT ROAM (€349,99)

ELEMNT ROAM is designed for those who view each ride as a new adventure. It combines the simple Companion App set up ELEMNT bike computers are known for with powerful on-board smart navigation features, a crystal clear 2.7" color display, long lasting battery, and an integrated mount design.

All out, over €500

Pelago Brooklyn (€525)

Every dedicated cyclist needs a great bike for around time. The design takes inspiration from the classic Dutch bike, it will take you from A to B with ease. Made with reliable quality components, the Brooklyn feels smooth and easy to ride. The steel frame and puncture protected tyres soften the cracks and road vibrations.

[Product page](#)

Wahoo KICKR CORE (€799,99)

Want to make sure your loved one maintains his or her fitness during winter? The KICKR CORE delivers a realistic, accurate, and quiet indoor training experience by using the proven flywheel technology, advanced algorithms, and integrated cadence measurement that originated with the iconic KICKR smart trainer.

[Product page](#)

Cannondale Treadwell (NEO) EQ (€899 - €2299)

It's comfy. It's playful. It's easy to get on and off. This is a capable, with handlebars and tires inspired by dirt-track racers. An integrated wheel sensor helps track your activity (like speed, distance and calories burned), registers your bike, reminds you of needed service and more, all through the free Cannondale App.

[Product page](#)

Spengle Carbon Monocoque Wheels (€1490)

A wheel upgrade will make any bike feel like new again. The SPENGLER Carbon Monocoque is designed to be the fastest, safest, and most agile ENDURO wheel on the market, it is equally at home as an all-mountain/XC wheel, and it's an awesome 650b gravel-bike wheel. These come with fun guaranteed.

[Product page](#)

Ampler Curt (€2890)

The Ampler Curt is an e-bi stripped of all excess, only keeping that which is key to a fierce ride. The stiff frame, full-carbon fork and straight handlebars give Curt an athletic look and keep the weight down to just 13.5 kg. Combined with sporty geometry, the ride feels firm and highly responsive – just like a true racer.
