## Ampler Bikes expands service partner network in Germany with The Netherlands & Switzerland on the horizon

Estonian e-bike brand, Ampler Bikes is building upon nationwide momentum and matching consumer demand in Germany by announcing its expanding its service partner program.

**February 2020, Berlin** - Regular maintenance and proper care are crucial for optimising any bicycle's performance but especially for e-bikes. Conveniently timed at the start of 2020 cycling season, Tallinn based start-up, Ampler Bikes has announced from their Berlin office and showroom that they are expanding their service partner network in Germany. This latest update, enables the direct-to-consumer brand to offer additional incentives for those in the market for a modern urban mobility solution.

Current and future Ampler owners in Germany can now have their bikes serviced by specially trained experts in Berlin, Munich, Frankfurt, Hamburg and Hannover. Further locations and partners in Stuttgart, Zurich and Amsterdam will follow in the coming months.

Warranty cases can also be completed with the partner shops in cooperation Ampler customer service. Regular maintenance and repair work can, of course, also be done by any local bike shop.

For test rides, there are Ampler ambassadors at 21 different locations in Germany and even more in England, The Netherlands, Belgium, Switzerland, Austria, Switzerland and Esonia. See exactly where the closest Ampler model are ready for free test drives are here:

**About Ampler Bikes**

Ampler Bikes makes light electric bicycles for urban commuters. The company launched in 2016 with a mission to create better commuting experiences and remove barriers from cycling. Currently, Ampler has 36 people working between the two offices located in Berlin and Tallinn. The Ampler Bikes showroom is located in the lively Berlin neighbourhood in Prenzlauer Berg, at [Kollwitzstraße 47](#).
