The Mechanics of Joy Season 2 (2022)

- **A ticket to the Twotone 8-year anniversary party!** Well, the ticket doesn't exist, but if you're around Amsterdam on December 2nd (wait! That's during The Bicycle Film Festival) come over to our office to celebrate with us with live music, food trucks and bring some budget for flash tattoos available at the party!
- **Peter Somuah, *Outer Space* Album:** One of our favourite Netherlands based musicians premiering his album at The Mechanics of Joy this year. Tune in with his beautiful music and relax this holidays.

**Items under €25**

- **Ticket to the 22nd Bicycle Film Festival in Amsterdam!** Book the weekend of 2-4 December and join The Bicycle Film Festival in Amsterdam, where you can also double down and join the Twotone Party too.
- **Dropped Magazine €11,41:** One of our favourite magazine's Twotone HQ, this printed beauty will bring plenty of joy and calm to the quiet moments between parties and family gatherings.

**Items under €50**

SPURCYCLE

- **De Wandelclub - Turbo Island shirt €25**
- **Silca Ultimate Brake and Drivetrain Cleaner €36:** Eliminate oil and dirt from your drivetrain in 3-5 minutes and watch the cleaner foam to a purplish-red colour as it encapsulates and removes that oil and dirt. It also eliminates brake squeal and will not attack wax on paint or drivetrain!
- **Spurcycle compact €40:** Known famously for their bell ring that makes you sing, Spurcycle has been producing carefully executed bicycle accessories that have become iconic favourites for over a decade. The company is rooted in practicality and rewarding relationships. Spurcycle products are known to work well and look good both when new and when old. Next to the original model Spurcycle recently released the Compact Bell which the Twotone crew and family love.
- **Silca's Bird of Prey Bottle Opener €45:** Open your favorite beverage in style with a 3D printed Titanium bottle opener. Weighing in at just 11g you will be blown away every time you open a beverage.
- **Echobox x Patta T-Shirt €45:** Collaborate with the local online radio that broadcasts from underneath sea level, and get the unique T-Shirt they co-created with one of the local's hype beast: Patta. Stay cool, create community, and support it!
- **The PRO Discover handlebar bag €45:** is designed for sports-oriented riders and is the ideal companion for the next bike packing adventures. It has a waterproof, vibration-reducing construction in wrap design and a capacity of 8 litres, accessible from both ends. Reflective details increase visibility. Using elastic straps, other items can be attached to the top.
- **The PRO Floorpump Performance €50** Designed to provide you with a better sports' bicycle experience the PRO Floorpump Performance features a steel barrel and base, which ensure that it is built to last. Its Snaplock EZ head is compatible with Presta and Schrader valves, without requiring any adjustments, and its ergonomic handle provides a comfortable grip for pumping your bicycle tyres to exactly the right pressure. The Floorpump Performance also features a large analogue pressure gauge and can inflate to 11 Bar/160 PSI

For that special someone

Items up to €150

- **Silca's Gravelero Mini-Pump €90:** The same great performance as its award winning Tattico, now with 35% more air volume.
- **The PRO Turnix Performance Saddle €80:** This saddle is designed for a wide variety of riders who prefer a balanced pressure distribution and features a carbon base set upon stainless steel rails. They are available in models with and without a pressure relieving anatomic recess

**Items up to €300**

- **Old Man Mountain Elkhorn:** To carry all your holiday gifts by bike it's nice to have a good set-up if you're not riding a 'bakfiets'. Old Man Mountain racks are the most versatile racks available. Capable of mounting to full-suspension mountain bikes, gravel bikes, road bikes, fat bikes, even tri-bikes if that's what you're in to. The Divide is the evolution of their rugged and reliable Classic rack. Eyelet, thru axle, or quick-release skewer mountable. The more minimal Elkhorn is a slender multi-tool of a rack. With 3-pack mounts on the uprights for your cargo or bottle cages and more tie-down points on the deck than you could ever need, the Elkhorn lets you feel the trail beneath you rather than the tail wag behind you.
- **Hypervolt GO 2 €229:** Whether you're an elite athlete or an individual who is simply looking for solutions to combat the impact of daily life, the suite of innovative products is here to help you unlock the best version of yourself. So you can always be at the top of your game, no matter what that game might be. The Hyperice Hypervolt Go is a Twotone's favorite at the office but they have a lot more products to help you recover better.
