VELOCIO RIDE SERIES AMSTERDAM

Join the Velocio Ride Series in Amsterdam on May 27th

We're excited to invite all of you to join us, [@sherry.cycling](#) and [@velocioapparel](#) for a 60km gravel ride through the scenic and lesser-known roads around Amsterdam on May 27th. Starting from the [Twotone](#) office, this ride will take us on a thrilling adventure, exploring some of the hidden gems that are often missed by the regular cyclist - so get ready for some milde hike-a-bike and lots of unknown roads!

We will be presenting the [Velocio Spring Summer collection](#) and you'll have a chance to check out some of their latest gear, get some tips from their team, and enjoy the ride in style.

Velocio Ride Series Amsterdam, May 27th

To start the day, we'll have coffee and snacks, so you can fuel up before the ride. And once we're back, we'll have some fresh beverages waiting for us to celebrate our adventure.

To join the ride, please RSVP by emailing us at malo@twotoneams.nl with your name and contact information. We'll send you the route details and other important information closer to the ride date.

So mark your calendar and get ready to explore the unknown on two wheels with us on May 27th. We look forward to seeing you there!
