

# Post Carry Co. Loomer is available now in US, with wheelbags available to purchase separately

**California/Amsterdam —July 8th, 09:00 EST —** Post Carry Co. announces that the Loomer is now available for shipping in the US, and the outstanding wheelbags included with the Loomer are also available to purchase separately.

The smallest bike semi-soft case for integrated cockpits, the Loomer, is now available in the US, with all preorders shipped this week and new orders shipped immediately from the US warehouse.

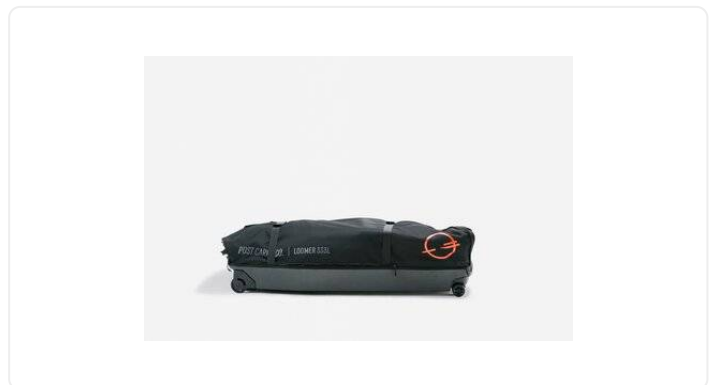

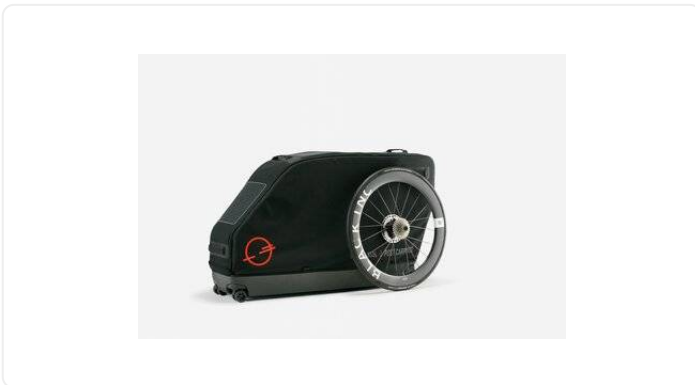

With two different sizes available, the Loomer, a hybrid soft and hard case that packs road and gravel bikes, with the cockpit-on, in a small form factor to make travel with a bike easy and convenient.

- **333L**, small to medium/54-56 cm frame size, case dimensions: 128 x 76 x 50cm
- **370L**, medium to XL/61 cm frame size), case dimensions: 130 x 82 x 50cm

No doubt, all those travelers in the high summer season will enjoy a smoother transit through airports and the comfort of fitting it easily into the back of any car upon arrival.
