The Twotone x @franko.ro 12 Year

Franko originally hails from Mexico and has incorporated the solitude of the Sonoran desert and our shared passion for moving things forward on two wheels into the iconography and overall motif. This year's theme is to never sacrifice style for speed, especially when more style is what you really need. 😎

Radavist Group Ride Membership **$6.66 a month or $69.69 a year**: We read The Radavist daily at Twotone HQ & John Watson has been a friend of our Jon's since 2007! The Radavist Group Ride membership is a great way to keep The Radavist rolling & share your stoke for shredding lightly with friends and family. It's $6.66 a month or $69.69 a year and every cent goes to paying their team and future improvements to The Radavist. *Each month they do a giveaway to The Radavist Membership subscribers where you can win complete bikes, drivetrains, and more!*

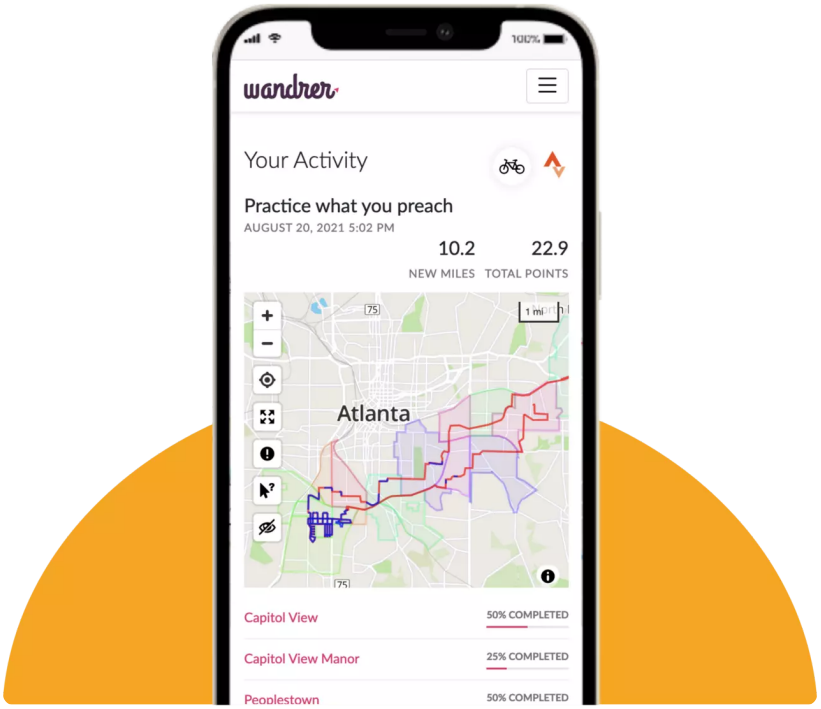

Remco Tools Silicone Task Mats €15, €20 and €25

The brand new Silicone Task Mats are durable workshop organizers engineered to keep small parts, fasteners, and specialized components securely in place during service. Available in three distinct sizes to accommodate everything from small bolts to larger hand tools, these flexible trays conform easily to flat or irregular workbench surfaces. They feature oil- and chemical-resistant silicone constructions that prevent marring on delicate materials while maintaining a stable, non-slip grip. Designed to coordinate with professional workshop environments, the entire line is available in A3, A4, and A5 sizes and two color options: a high-visibility orange for quick parts tracking and a classic gray.

Wandrer Extra Lost ($40/year)

This premium subscription tier is designed for cyclists and runners looking to completely map out their real-world explorations. It unlocks unlimited sync history, allowing users to pull every single past Strava activity into their profile to map out previously traveled roads. Members gain access to unlimited map downloads formatted for Garmin, Wahoo, along with priority activity processing and regular base map updates to reflect recent local road construction. It integrates directly into active navigation setups through the Wandrer Karoo companion app and a dedicated browser extension for popular routing tools, while offering entry into Explorer Achievements, monthly milestones, and yearly point challenges.

Silca StripChip €29: You want your wax to last longer? We got you, add the EnduranceChip to your wax and extend the usage of your waxed chain, and yes, to chips make it last even longer. - For Road and Gravel bikes and tires up to 55mm wide.
- Leave the handlebar on. Fits handlebars up to 46cm O-O.
- Two sizes available and 10–15% smaller size than most other cockpit-on bike cases. See Sizing Chart below.
- Designed to withstand the abuse of airline travel — drops, stacking, and side compression.
- Includes Wheel Bags and adapters for Thru Axle and QR.

Moustache Bikes Lundi 27 from €2399: The brand new Lundi 27 is an urban e-bike engineered for daily commuting, offering an updated design that is 3.5 kg lighter than its predecessor. It comes in three specific configurations: the Lundi 27 Belt featuring a low-maintenance, single-speed Gates Carbon Belt ST drive; the Lundi 27 Chain equipped with a 9-speed Shimano Cues derailleur drivetrain; and the highly limited Lundi 27 Launch Edition (restricted to 270 numbered units globally) which includes a 10-speed Shimano Cues system, an 80-lux headlight, a front MIK rack, a Bosch ConnectModule with GPS tracking, and an integrated SmartphoneGrip. All versions share an adjustable low-step aluminum frame supporting up to 150 kg, a suspension seatpost, and 60mm Schwalbe Super Moto-X tires. This generation premieres the Bosch Smart System built around the 2.3 kg Hub Line rear-wheel motor (45 Nm torque, 400W peak power), a removable 2.1 kg PowerTube 360Wh battery, and an all-in-one Purion 200 color handlebar display.

Veloe multi and multi lungo from €3199: These Italian-made compact cargo e-bikes are built for everyday family and urban utility. The standard Veloe multi is a midtail model featuring dual 24-inch wheels and a 67 cm rear rack that carries up to two children. The extended Veloe multi lungo is a longtail model configuring a 24-inch front and a 20-inch rear wheel with a 77 cm rack to support up to three children. Both setups utilize a one-size-fits-all Chro-Moly steel frame manufactured near Milan, available in nine standard color options

alongside a full custom RAL color program and the limited Espresso edition, all supporting a maximum load of 200 kg. Available motor options include the Bosch Cargo Line or Shimano EP5 system.

Wishing you & yours happy holidays from the Twotone fam! ❤️🚲
