THE BURGER BUS IS COMING... AND EVERYBODY'S GETTING FREE WHOPPERS®

For those poor souls who've come home from a night out to an empty fridge, or those pooped after a night shift in need of sustenance, or those who've "enjoyed" a fancy morsel of steak for \$58 and need a top-up... **Menulog** will be there for you.

In celebration of **Menulog's extended delivery hours until 2.00 am**, Menulog has teamed up with its **exclusive partner, Hungry Jack's**, to bring the first-ever **90s inspired 'Burger Bus'** (yep, inspired by pop sensations [Vengaboys](#)) to the streets of Sydney, **delivering free Whopper® burgers** to late-night hot spots and venues across the city this long weekend.

Like an adult ice cream truck, you won't know when or where the 'Burger Bus' will be... but you will hear it coming with its signature song... 'We like to Patty'. Better still, the 'Burgerboys' will be dishing up hundreds and hundreds of free Whoppers® when and where people need it most.

Menulog data shows burgers are one of the most popular foods to have delivered late-night, with the **'Whopper® with Cheese'** topping the list for Hungry Jack's snacks ordered after 9.00 pm.

With the footy grand finals, music festivals and more happening this October long weekend, the Burger Bus will be popping up in the following areas:

Thursday 3 October 2019 - **Kensington and Sydney CBD**

Friday 4 October 2019 - **Moore Park, Chippendale, Newtown**

Saturday 5 October 2019 - **Moore Park, Darlinghurst, Centennial Park**

Sunday 6 October 2019 - **Darlinghurst, Sydney CBD, Redfern**

In addition to crowd favourite Whoppers, the **all-singing, all-dancing Burger Boys** will have delivery vouchers on hand for anyone already making that journey home.

Working closely with our restaurant partners, Menulog is all about bringing people joy with delicious food delivered. What better way to bring this to life than with a 'Burger Bus' delivery of one of the nation's favourite late-night treats - The Hungry Jack's Whopper! We wanted to have some fun with this extra-special delivery, to really bring surprise and delight to people's night. Anyone out and about this long weekend should listen out for the Burger Bus to grab a free Whopper or Menulog voucher so they can take advantage of our new late-night delivery options

— Simon Cheng, Marketing Director, Menulog.

Menulog has more than 1,000 restaurants serving more than 35 cuisines available for late-night orders, with more than 260 Hungry Jack's stores now available for online ordering and delivery.

While burgers remain one of the most popular choices, Menulog sees top options vary from state to state.

In broader **NSW**, one of the top choices late-night is actually ice cream from [Cold Rock Icecreamery Rutherford](#). In **Victoria**, locals often opt for European Style Meat and Chips pack from Turkish restaurant [Sip N Bite Kebabs](#).

In **Queensland**, the Whopper isn't the topper, with the Bacon Deluxe Hunger Tamers from [Hungry Jack's Herston](#) topping the order list. And in **Canberra**, our nation's capital, Chicken Nuggets from [Hungry Jack's Belconnen](#).

In **South Australia**, Chicken Schnitzel from [Hansen Pizza and Pasta Bar](#) is crowd favourite while Special Fried Rice from [Hong Kong Restaurant](#) takes the prize in the **Northern Territory**.

At the opposite end of the country, **Tasmanians** love a late-night order of Butter Chicken from [Charcoal Fire Indian Restaurant](#) while on the west coast, a brioche bun with Angus beef from [Big Bite Burgers](#) is most popular in **Perth**.

Delivering to 87 per cent of the addressable population, Menulog provides options for any meal occasion.
