EVBox to present at 23rd annual ICR Conference

Presentation to be Webcast

Amsterdam, January 12, 2021—EVBox Group, a leading global provider of smart charging solutions for electric vehicles (“EV”), today announced that the Company will participate at the 23rd Annual ICR Conference. Kristof Vereenooghe, President and CEO, will present on Wednesday, January 13, 2021.

In December 2020, TPG Pace Beneficial Finance Corp. (NYSE: TPGY.U, TPGY, TPGY WS), a publicly traded special purpose acquisition company (“SPAC”) formed by TPG, entered into an agreement with ENGIE New Business S.A.S., a wholly owned subsidiary of Engie, to acquire its subsidiary EV Charged B.V. (the “Company”, “EVBox” or “EVBox Group”) for a combination of cash and equity. The transaction will result in EVBox becoming a public company with its common shares and warrants trading on the New York Stock Exchange (“NYSE”) under the ticker symbols “EVB” and “EVB WS”.

Additional information can be found in EVBox Group's recent [press release](#).

Webcast Information:

This event will only be available via links to the live webcast of the presentation at 3:30pm ET. Please click [here](#) to register and receive further instructions to join the webcast.

About TPG Pace Group and TPG Pace Beneficial Finance Corp.

TPG Pace Group is TPG's dedicated permanent capital platform. TPG Pace Group has a long-term, patient, and highly flexible investor base, allowing it to seek compelling opportunities that will thrive in the public markets. TPG Pace Group has sponsored five special purpose acquisition companies ("SPACs") and raised more than \$3 billion since 2015. TPG Pace Beneficial Finance Corp. raised \$350 million in its October 2020 IPO in order to seek a business combination target that combines attractive business fundamentals with, or with the potential for strong environmental, social and governance ("ESG") principles and practices.
