

## **PHOTO RELEASE: IT&E distributes mobile hotspot devices for GDOE's PATH program**

On the PATH to success! On April 7, IT&E began distributing the first mobile hotspot devices for Guam Department of Education's Providing Access To Homes program (PATH). Distribution will continue to take place over the coming weeks at the Dededo Senior Citizen Center, Sinajana Mayor's Office, Mangilao Mayor's Office and Agat market grounds. A minimum of 4,000 mobile hotspot devices will be distributed under IT&E's contract with GDOE.
