## **IT&E moves store to larger, more convenient location in Oleai**

SUSUPE, Feb. 11, 2022 - IT&E today announced its store is moving to a larger and more convenient location in Oleai.

The Oleai store will open its doors on Tuesday, February 22, 2022.

All residential and business services will be available at the new location, while the marketing department will be transferred to IT&E's headquarters in Susupe. IT&E operations will cease at the Chalan Laulau location on Friday, February 18, 2022.

"We look forward to serving our subscribers in our new, larger store in Oleai," said Rose Soledad, General Manager of IT&E CNMI. "The new location is more conveniently located at the intersection of Middle Road and Monsignor Guerrero, making assistance and our service more easily accessible."

Hours of operation at the Oleai store will be 8:30 am to 6 pm, Monday to Friday.

Renovations began in November and the new store will feature a freshened look and an open-floor design.

IT&E is always looking for ways to better serve its customers. Also in November, the provider opened a payment center in Kada Dia Market in Chalan Kanoa to offer a quick and easy option for paying bills. The payment center is open 11 am to 3:30 pm on Monday, Wednesday, and Friday.
