

IT&E partners with local business for skateboarding and art event

HARMON, Guam — IT&E partnered with local lifestyle brand Opake Guam to bring Skate and Create 2018 to the Dededo Skate Park. The event featured a skateboarding competition and showcased local street art.

“We’re really excited to work with the Opake team and the local artists who have organized an event that creates a space for our kids and teens to pursue their hobbies safely,” says Angela Rosario, director of product and marketing at IT&E.
