

FundedHere partners Microsoft to help startups in the region

Singapore, 26 April 2018 – FundedHere, Singapore’s first licensed equity and debt based crowdfunding platform, announced that it has agreed a partnership with Microsoft Corporation. With this partnership, the aforementioned companies hope to facilitate promising startups in meeting ideal investors.

A widely known company, Microsoft would be referring startups who use their services to FundedHere. Conversely, startups from FundedHere who may require the use of Microsoft services would be referred to Microsoft too.

Over the past 2 years, FundedHere has closed 19 successful campaigns with over \$8.1M raised through it’s platform, www.fundedhere.com.

ABOUT FUNDEDHERE

FundedHere is the first registered private equity and lending-based crowdfunding platform for promising businesses in Asia issued by Monetary Authority of Singapore (MAS). FundedHere has built an ecosystem for investors and businesses, utilizing Singapore as a springboard for Asia.
