## FundedHere enters partnership with CoHive to help Indonesian start-ups.

Singapore, 10th October 2019 – FundedHere, Singapore’s first licensed equity and debt-based crowdfunding platform have entered a Memorandum of Understanding (MOU) with CoHive PT Evi Asia Tenggara to cooperatively add fundraising capabilities to their existing repertoire of services.

CoHive is the largest provider of co-working and co-living spaces across Indonesia. Their comprehensive suites are designed to enhance productivity while increasing exposure and providing networking opportunities. They currently have over 9,000 members co-working for a month or longer across 31 locations in Indonesia. The MOU will expand CoHive’s current ecosystem to help foster start-ups with access to FundedHere’s investor networks.

Since inception, FundedHere has raised over S\$17 million across 28 successful campaigns. With many exciting projects coming up, this would be an exciting time for FundedHere investors. For more information, please go to [www.fundedhere.com](http://www.fundedhere.com)
