A personal note from Dan...

Dear friends of FundedHere,

Thank you for being a part of this amazing journey these past 4 years.

We have weathered some tough times together and whether you are a startup founder, mentor, investor, colleague, or advisor, you have been instrumental in helping us charge forward.

While the current pandemic does not allow us to physically meet to celebrate this milestone, I wanted to take the time to express my appreciation and gratitude for your time and continued love for the FundedHere family. I hope that these challenging times will enable us to love each other more deeply and to care for Mother Earth more intentionally.

Please stay safe!
