## Find your flow. Reflect your style. Get active with JBL® Reflect Flow

*JBL's latest true wireless sports earphones, available now from [JBL.com](https://www.jbl.com) and major retailers*

**LONDON, AUGUST 12, 2019** – Top performance is driven by outstanding sound. Whether you're hitting the streets or smashing the gym, JBL Reflect Flow True Wireless headphones are the perfect addition to your sports kit. The fuel you need to smash your PB. Available now, Reflect Flow packs JBL's Signature Sound into a stylish, comfortable and workout-ready package.

Cut the cord on tangled wires. JBL Reflect Flow lets you move freely, without the fear of anything interrupting your groove. Ready to power a week's worth of workouts with 30+ hours of combined playback time thanks to the included charging case. Reflect Flow is also IPX7 waterproof, so no need to worry if you get hot and sweaty.

Tune in and out at the tap of a button with TalkThru and Ambient Aware. With TalkThru, music volume is lowered and your surroundings are amplified. Perfect when you need to chat with your trainer. In Ambient Aware mode, you control the level of background noise to stay tuned into your surroundings. It's also easy to access your phone's voice assistant. Simply hold the button to ask Google or Siri voice assistants to turn it up when you need to get into your groove.

JBL Reflect Flow is available in stylish black and Teal (light blue) colour options, making sure you look great whether you are training or outside on the go. The headphones come with ergonomic silicone tips and three sizes of Freebit enhancers which lock into the inside of your ear for the perfect fit.

JBL® Reflect Flow headphones are now available at 149,00 € from JBL.com and major retailers.
