

## Toivo Group strengthens its market position with transfer to Nasdaq Helsinki Main Market

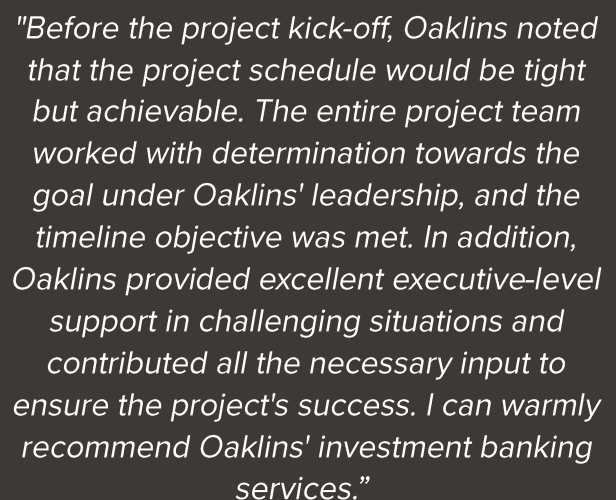

Toivo Group Plc has taken a significant strategic step by transferring to the Main Market of Nasdaq Helsinki. The move supports the company's ambition for stable growth and reinforces its role as a key player in the Finnish residential development sector.

Toivo operates under a fully integrated “develop–build–own” model, managing the full value chain from land acquisition to residential leasing or sale. The company is recognized for its modern and affordable housing solutions, primarily in the Helsinki, Tampere, and Turku regions.

The Main Market listing enhances Toivo's visibility among investors and improves access to capital markets. It also provides a solid foundation for executing the company's long-term growth strategy with greater capital efficiency.
